

THE IRISH BONDED WAREHOUSE OF CHOICE

Our Mission

DVL is committed to our mission of understanding our customers needs, delivering the job on time and accurately and continually improving the process to the benefit of our customers.

About Us

DVL was set-up in 2008 by experienced Trade Professionals to provide specialist/knowledgeable wine bonded warehouse solutions. We have over 25 years wine trade experience, knowledge and understanding of the needs within the wine sector. We are now the fastest growing business in our sector providing bonded warehouse solutions for wine, beers and spirits. Our current clients include major importers, wholesalers, retailers and key restaurant outlets.

What we do

DVL are specialists in Bonded Warehouse solutions. We are fully bonded, insured and revenue approved with state of the art security systems. We offer a fully integrated service including receiving, warehousing and delivery.

We are located in a prime position in Dublin to service the important East Coast trade. The DVL warehouses are situated within easy access of all major motorways and can provide a Nation-wide delivery service. We also offer a highly professional service at very competitive rates.

Why DVL?

We know our wines

We know the drinks industry, warehouse administration, and in particular the complexities of the wine trade

We understand the demands on our client companies

We are committed to exceeding our client expectations

We know our business and are committed to continuous improvement

We offer a highly tailored service to large and small clients at competitive prices
